

Recording Release Form

ECA at times gathers video footage/photos for use in promoting our programming and requesting grant support.

I authorize Edmonds Center for the Arts to photograph and videotape my child during ECA's Summer Arts Enrichment Camps. Said photographs and video may be used for the purpose of advertising and/or promoting Edmonds Center for the Arts and ECA camp partners. Photos and video will only be used by the previous mentioned organizations and not shared or sold to outside parties; the sole exception being family of program participants who request copies for their exclusive personal use.

I understand that should my child's photo be used, my child's name will not be mentioned in connection with the promotional piece and we will receive no monetary compensation for use of images. In addition, I authorize like consent for audio and video recording under circumstances similar to those described above.

My signature verifies that I am eighteen years of age or older, and hereby release any claims of copyright, libel, slander, violation of privacy, or similar rights that I may have.
