Edmonds Center for the Arts (ECA) a 700-seat, state-of-the-art performing arts venue located on the campus of the original Edmonds High School, just 20 minutes north of Seattle, seeks a driven, collaborative, and skilled Accountant to perform technical and professional accounting functions in the analysis, interpretation, recording, and reporting of our financial transactions.

ECA presents an array of outstanding performing artists from around the world, provides space, production management, and technical expertise for a variety of community partners and rental clients, and serves more than 85,000 patrons who enjoy the facility annually.

ECA is an innovating and challenging workplace, and the qualified candidate will need to be flexible, positive, and able to strategically contribute to a rapidly growing organization. We are looking for someone who shares a passion for numbers, loves accounts to balance, is skilled in seeking out discrepancies, and committed to accuracy. The successful candidate will be a problem-solver with analytical skills, and as a team-player with the ability to work under pressure.

POSITION SUMMARY:
The Accountant performs the day-to-day finance management activities of both Edmonds Public Facilities District and Edmonds Center for the Arts in collaboration with the Operations Manager and the Associate Executive Director. This position is responsible for all general accounting functions, cash management, grant accounting and compliance, implementation of accounting controls, maintenance of fiscal records, month and year-end reconciliations and processes, and payroll processing. The Accountant assists in the development of monthly financial reports, development of the annual budget and annual financial statements, and is a key role and contact for the District’s annual Washington State Audit.

The Accountant has demonstrated experience in financial and business administration and stays up to date with changes in the governmental and nonprofit business landscapes. Like all employees at EPFD/ECA, the Accountant must collaborate effectively with all team members and remain committed to EPFD/ECA’s mission, goals, and values, while contributing to their evolution.

An Accountant at EPFD/ECA is committed to justice, equity, diversity, and inclusion, and strives to continuously reflect these values within both internal and external relationships. An EPFD/ECA Staff Accountant values a diverse team, is welcoming of different perspectives and approaches, and makes sure that their colleagues and partners feel valued and empowered.

Financial Management:

- Performs all activities associated with recording and processing Accounts Payable, Accounts Receivable, and Cash Management.
- Responsible for regular reconciliations of earned and contributed revenue.
- Effectively utilize electronic and hard copy records to identify and resolve discrepancies and work with other departments for collection of unpaid invoices.
- Assists the Associate Executive Director with oversight for all funds maintained by the District.
- Assures compliance with respect to the District’s loan agreements and bond covenants.
- Prepares and processes semi-monthly payroll and associated employer taxes for accuracy and submits to the Operations Manager for approval for submittal to payroll processing service.
- Processes any Federal and State Taxes not processed through the payroll processing service for review and submittal by the Operations Manager.
- Tracks and prepares reports for review and submittal by the Operations Manager in the Public Employees’ Retirement System (PERS) for the organization and each participating employee.
- Records, labels, and tracks fixed assets and depreciation in partnership with the Operations Manager and Facilities.
- Ensures organization credit card statements and receipts have been reconciled and paid timely.
- Processes month and year-end closings for review and approval by the Operations Manager (e.g., Bank Reconciliations, Journal Entries, Accruals, and General Ledger Reconciliations).
- Prepares in partnership with the Operations Manager monthly disbursement report and monthly and annual financial reports and statements accurately in accordance with GAAP in a timely manner for review and finalization by the Associate Executive Director.
- Responsible for conducting District internal audits as required.
- Prepares organization’s records and reports for annual Washington State Audit for review by the Operations Manager and Associate Executive Director.
- In collaboration with the Associate Executive Director prepares and is responsible for the District’s Financial Statements and Notes to the Financial Statements and in compliance with GASB requirements and regulations outlined in the State of Washington’s BARS Manual.
- Works closely with an external accountant and Operations Manager and Associate Executive Director to prepare the annual IRS Form 990 for the non-profit organization.

Planning:

- Works in partnership with the Leadership Team and provides data to prepare the annual organizational budget.
- Develops and tracks financial data and trend analyses, reporting the results to the Associate Executive Director as directed.
- Assists with the development and implements fiscal policies and procedures, monitoring and tracking progress toward organizational goals and compliance benchmarks.
- Coordinates with leadership to establish departmental goals and strategies and to develop department work plan.
- Maintains and keeps current accounting department desk procedures.
Financial/Administrative Management:

- Maintains all EPFD/ECA vendor and customer files.
- Maintains and communicates a calendar to ensure that organizational state monthly, quarterly, and annual filings, renewals, and payments are reported and kept up to date.
- Supports accounting activities for EPFD/ECA’s contracts and grants, including budgeting and compliance with financial reporting requirements (e.g., Federal OMB compliance).
- Responsible in partnership with the Operations Manager for maintaining internal controls that will provide reasonable assurance that transactions are recorded as necessary to be in compliance and provides preparation of timely, accurate, reliable, and consistent financial statements and reports.
- Works in partnership with the Operations Manager and Associate Executive Director to improve accounting controls and processes in accordance with audit recommendations and industry best practices.
- Updates Chart of Accounts as required in consultation with the Operations Manager and Associate Executive Director.
- Makes recommendations for changes and improvements to existing financial systems.
