ABOUT THE BAND

Formed in 2011 after answering a Craigslist Ad, Nite Wave is a band passionate about 80s New Wave and putting on a night you'll never forget. We have had the privilege of being hand picked by Billy Idol to open up for him on tour and have also shared the stage with Rock and Roll Hall of Famer Jane Wiedlin of The Go-Go's, Clive Farrington of When in Rome, Marty Jourard of The Motels and Multi-Platinum selling artist Tiffany.
