Canada's Celtic superstars Natalie MacMaster and Donnell Leahy invite some of the world's finest Celtic musicians for an unforgettable evening of music and celebration! This extraordinary musical journey will showcase true all-stars of the Celtic world—from Ireland, Scotland, Canada, and beyond. Together, Natalie and Donnell will explore the deep connections between Celtic traditions across nations, tracing the music's ancient roots to its vibrant modern evolution.

Joining them on stage is a lineup of exceptional special guests including vocalist Karen Matheson OBE of Capercaillie, four-time All-Ireland Champion banjo player Enda Scahill, critically acclaimed Scottish piper Ross Ainslie, and Natalie and Donnell's multi-talented daughter Mary Frances. Don't miss this one-of-a-kind night filled with fiery fiddling, electrifying energy, and the heart and soul of Celtic music!

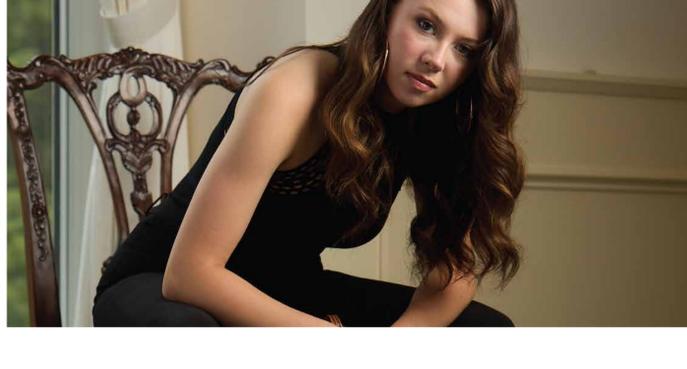

NATALIE MACMASTER

One of Cape Breton, Nova Scotia's most important exports and a superstar in the Celtic music world (though she's far too humble to admit it), fiddler and step-dancer Natalie MacMaster has built a sterling, multi-decade career on electrifying playing and must-see live performances.

DONNELL LEAHY

Alongside his wife and musical collaborator, Natalie MacMaster, Donnell Leahy has cemented his reputation as a peerless instrumentalist able to synthesize traditional influences with more contemporary Celtic/folk sensibilities.
