### NEKO CASE

Singer, songwriter, music producer, visual artist, and writer Neko Case is the consummate career artist — fearless and versatile, with a fierce work ethic and a constant drive to search deeper within herself for creative growth. “One of America's best and most ambitious singer-songwriters” (Rolling Stone) and “essentially peerless” (NPR), Case has long been revered as one of music’s most influential artists, whose authenticity, lyrical storytelling, and sly wit have endeared her to a legion of critics, musicians, and lifelong fans. In addition to numerous acclaimed and GRAMMY-nominated solo records, Case is a founding member of Canadian supergroup The New Pornographers. She is the author of The New York Times bestselling memoir 'The Harder I Fight the More I Love You' and the weekly Substack newsletter 'Entering The Lung,' and is currently composing the musical theater adaptation of the Academy Award-winning motion picture 'Thelma & Louise.' Her upcoming album, 'Neon Grey Midnight Green' is arriving on September 26 via Anti Records.
